

Volunteer Opportunities

at the Bridgeville Public Library

441 Station St, Bridgeville, PA 15017

**Artists, Writers, Musicians, Gardeners,
Travelers, Business Owners.....whatever
your talent, interest or hobby may be!**

The library would like to develop a local talent showcase through monthly programs open to the public.

Please consider doing a program for adults, children or families showcasing your hobby or talent - it could be a performance, lecture, travelogue or demonstration - perhaps even a hands-on interactive activity with those in attendance.

Crafters Wanted!

Share your talent. Volunteer to lead an adult monthly craft program. You pick the craft. The library would publicize and purchase the necessary materials.

Participants would pay a fee for materials.

**Please contact Donna Taylor, Library Director,
for further information at 412-221-3737.**
